

## Start-Up Program

APPLICATION ONLY TO \$50,000

Transcon Finance provides solutions that helps startups and small businesses get the equipment they need, on a payment schedule that is designed to help ease large one-time capital expenses and instead fold them into predictable monthly expenses. Our lease program can help your customer lower their loan requests, assist with expense forecasting, and can get them the quality equipment they need to get their startup going – fast!

What we need to get started: Just completed and signed **Credit Application. Dealer Invoice. and Equipment Spec Sheet.**

### General Guidelines:

- App Only to \$50,000
- Must have established credit
- Down payments as little as (2) up front payments to 25% down for most industries.
- OTR trucking start up considered with excellent credit (700+) and home ownership.
